### Week of the Young Child is April 6–12, 2024

The purpose of the Week of the Young Child is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs. **Arts & Crafts Workshop** with Asma Chaudhary Together, we will celebrate the beloved children's story, "The Little Engine That Could," as we roll up our sleeves and create hands-on, learning activities that not only little ones, but big ones will enjoy! This will be a fun opportunity to re-use different materials available in and around our home environments, inspired by the story's message of hope and optimism—just as long as we are willing to try.
