Eva has decided to retire after being a part of Infant Toddler Family Day Care for 21 years. She was a very loving and caring provider who touched the lives of many children and families through her years with ITFDC. Eva was a very special provider who always put the children in her care first! Thanks to Eva, so much for her dedication. We wish her only the best as she retires.

Family Child Care Educator Appreciation Day is May 9th.

National Provider Appreciation Day, also known as National Child Care Provider Day, is annually celebrated on the Friday before Mother's Day.

The special day recognizes child care providers, teachers, and other educators of young children everywhere.

At ITFDC, we are very grateful for all our wonderful providers!

April is World Autism Month, beginning on April 2nd.

How a child plays, learns, speaks, acts, and moves offers important information about a child's development. You can play a vital role in early identification by encouraging families to track their child's development using tools like CDC's Milestone Tracker app from 2 months to 5 years of age.
